PAYMENT OPTIONS:

The payment option you choose allows you to decide how much of the minimum spend you wish to contribute.

IT'S RAINING GIN (unlimited bar)

X

Sit back and relax knowing your guests drinks are completely covered. This is the perfect option for when you want to offer the menu to your guests with no limits.

With this option, drinks are 'free' to your guests, and you cover the cost of all the drinks consumed. If exceeded, the full minimum spend will be deducted from your final bill after the event.

LET THE PARTY BE-GIN (pre-paid tab)

X

Kickstart your event with a pre-paid bar tab of your choice. Once exceeded a cash bar will follow, and the remainder of your minimum spend will be refunded.

This option works well if you'd like to offer guests a complimentary drink or two. We also offer the option of using drink tokens so that each guest is given an equal number of 'free' drinks. There is no extra charge for the use of tokens.

PAY AS YOU SLOE (cash bar)

This is the most cost effective package for those on a stricter budget, however this won't limit the number of drinks your guests can have.

This option means the bar is operated on a pay as you go basis, allowing guests to pay for their own drinks. If met, your full minimum spend will be reimbursed to you after the event.

Alternatively the bar is available for dry hire. Further details on next page.

ALTERNATIVE OPTIONS:

DRY AS MARTINI (dry hire)

A hire fee will apply for a 6-hour period. Minimum spend N/A.

This option is our most simplest hire option, and provides you and your guests with our vintage horsebox bar, staff and all the decorations to get creative with.

The bar will be dry though, meaning this package provides you with the option to purchase your own drinks (plus ice and garnishes) which our staff will serve chill and to your guests in our biodegradable cups or vintage glassware.

1 PART GIN, 3 PARTS TONIC (hybrid dry hire)

Prices for this option are bespoke, and are available on request.

This option is perfect for events of a longer duration and if you would like to combine our menu with your own.

An example of this option would be for us to chill and serve *your* bottles of special bubbly for a drinks reception, followed by our menu afterwards. Another example would include offering guests *your* beer, wine and soft drinks whilst also offering our spirits, cocktails and mocktails.
